Template Email to Waitlisted Parents

Hello parent/guardian of [Waitlisted Youth's Name],

We are contacting you today as your child is currently on the waitlist for the [Group & Section Name].

We would like to inform you that we are currently in the process of opening a new Section at [Address of Section Meeting Space] in your area and are seeking volunteers to support the Section.

We require several adult volunteers to support a new Section and have opportunities that fit every schedule, from the weekly Scouter to part-time parent helpers. Volunteers are a crucial element to the success of a Section and enjoy many benefits such as

- Seeing firsthand how Scouting benefits young people
- Helping to build resilience in young people
- Giving back to the community
- Learning new skills
- Taking on fun adventures
- Being a part of a network of support from Scouters across Canada.
- Taking part in fun and outdoor adventures with your child
- Your child benefitting from registration immediately upon you becoming an active Scouter

You do not require a specific skill set to volunteer, all you require is the desire to support and give back to the community. No matter how you get involved, we'll make sure you're properly supported and trained.

Through a variety of fun experiences with friends, outdoor adventures, and contributions to your community, help kids build resilience and skills that set them up for life!
