

Help develop well-rounded youth, better prepared for success in the world.

## Template Email Call to Action for New Parent Volunteers

### **Calling all Parent/Guardians, we need your help!**

As parents, we all strive to provide our children with opportunities that help them grow, learn, and become well-rounded individuals. One such opportunity that has stood the test of time is the Scouting program. However, to keep this program running smoothly and continue providing valuable experiences to our young ones, we urgently need more volunteers.

### **Why Volunteer?**

Volunteering with the Scouting program offers numerous benefits, not only for the children but also for you as a parent/guardian. By joining our team, you become an integral part of a community dedicated to fostering personal growth, leadership, and lifelong skills. Volunteering with Scouts is a rewarding experience that provides you with opportunities to:

- Make a positive impact
- Bond with your child especially in nature
- Learn new skills
- Give back to your community

### **How Can You Help?**

We understand that your time is valuable and that commitments can sometimes feel overwhelming. However, even small acts of service can go a long way in supporting our Scouting program. Here are a few ways you can get involved:

1. Become a Scouter: Our Scouting program relies on dedicated individuals like you to guide and mentor our Scouting youth. As a Scouter, you will have the opportunity to plan activities and help young people develop important life skills.
2. Join the Support Team: If working directly with the youth isn't your preference, you can still make a significant impact by joining our support team. Help with administrative tasks, event coordination, fundraising, or marketing initiatives. Your skills and expertise will be invaluable in ensuring the smooth operation of our program.
3. Volunteer for Special Events: If your schedule doesn't allow for a regular commitment, consider volunteering for special events or camps. Your assistance during these occasions greatly enhances the experience for our Scouting youth and helps create lifelong memories.

The Scouting program has been a cornerstone of youth development for generations, and with your help, it can continue to thrive. By volunteering as a Scouter or a member of our support team, you can make a big difference in the lives of our Scouts. Remember, even small acts of service can have a lasting impact.

Join us today and be a part of a community that fosters personal growth, leadership, and lifelong skills.

Together, let's empower the next generation of leaders.
