

Help develop well-rounded youth, better prepared for success in the world.

Scouts Canada Partnerships

P&VS Edited: May 2025

Leave No Trace:

In partnership with Leave No Trace, no-trace or "minimum impact" camping is Scouting's outdoor philosophy. Scouters and youth in all Sections practise minimum impact outdoor skills so that the natural world will be there for us to enjoy for many years to come.

Website: <https://www.scouts.ca/resources/program-resources/leave-no-trace.html>

Let's Talk Science:

Let's Talk Science and Scouts Canada have joined forces to assist Scouts and Scouters with running STEM activities in their Sections.

With this partnership, Let's Talk Science will engage Scouting youth ages 5 to 17 in a wide variety of meaningful STEM-related learning experiences using real-world examples and exciting activities. Volunteers will work with Scout groups to provide mentorship, support and instruction for STEM projects, provide access to materials and university laboratories, and develop and implement activities that match the interests of the youth. Sections and Groups looking for help when running STEM activities can easily request assistance from their local Let's Talk Science Outreach site.

A complete registry of all Canadian sites may be found online at: outreach.letstalkscience.ca.

For more information about Let's Talk Science, please visit letstalkscience.ca

PADI:

PADI (the Professional Association of Diving Instructors) in partnership with Scouts Canada, is the most recognized dive training organization worldwide with over 30 million divers and counting. PADI Dive Instructors undergo rigorous training to ensure your scuba certification class is fun and safe.

Website: <https://www.scouts.ca/resources/activity-finder/dive-in!.html>

HomeBaker Kits:

HomeBaker will donate \$5 from every home baking kit ordered back to Scouts Canada.

Help develop well-rounded youth, better prepared for success in the world.

Wayfinders:

Adventurer's Club:

Adventurer's Club offers six weeks of thrilling summer scouting activities designed to ignite curiosity, build skills, and forge lasting friendships with participants progressing through skill levels each week. Adventurer's Club is tailored to engage different age groups, providing diverse experiences in survival techniques, navigation, teamwork, and leadership.

ADVENTURER'S CLUB

— LET'S GO —

Angler's Academy in partnership with Nootka Marine Adventures:

Angler's Academy offers an exciting opportunity to delve into the world of fishing. Whether you're a novice angler eager to learn or a seasoned pro seeking to refine your skills, our program provides expert guidance and unforgettable experiences on the water. With a focus on conservation and environmental stewardship, Angler's Academy invites you to explore new waters, learn new techniques, and reel in the big catch.
