

SET YOUR TROOP'S GOALS!

Think of the Possibilities!

Talk with the Scouts in the Troop about the goals with which they would like to challenge themselves this year.

Write your Troop's goals (as numbers) in the squares.

FALL: September – November

WINTER: December – February

SPRING: March – May

SUMMER: June – August

Our Scouting Year can be divided into four cycles, which align with the four seasons. Plan, do and review your program each season, and the quality of your adventures will improve in no time!

The coloured boxes include suggested goals from Scouts Canada. How adventurous will your program be?

Write the number your Troop would like to set as a goal.
